Updates on cases of women political prisoners

Manouche Kendell
speaking about the campaign for battered women in prison

When they took us we weren't ready
But — we were more ready than others
We didn't go quitely, but no one stopped them
Some said "they brought it on themselves."
Others "better them than us."
And still others felt the sparks fly
and said we are not lost in the stars.

—Susan Rosenberg
North American Political Prisoner
